

Are you interested in getting your college career started early?

Sauk Valley Community College Dual-Credit Program

Sauk Valley Community College is launching a new program that will allow a 25 selected seniors from the surrounding area schools to participate in an on-campus, full-day dual-credit academic program, with the opportunity to earn 40 college credits. Each school will be guaranteed one seat for a qualifying senior. The criteria set by SVCC is as follows:

- Student must place into, or have already completed, English 101.
- Student must receive a recommendation by the high school counselor.
- Student must carry a minimum unweighted GPA of 3.0.
- Student must complete and submit an application, including several essay question responses by February 14.

If you believe this would be a great program for you and are interested in this opportunity, please check with Prophetstown High School for more information.
